

## PERSONENINDEX

Die Namen von Personen, die vor dem Jahr 1300 gestorben sind, erscheinen in der Regel in latinisierter Form (z. B. 'Callimachus'; 'Arnulphus Aurelianus'), ebenso die Namen von Päpsten. Für diejenigen Personen, die nach 1300 gestorben sind, wurde jeweils die nationalsprachliche Form gewählt (z. B. 'Giovanni del Virgilio' statt 'Johannes de Vergilio'; 'Thomas More' statt 'Thomas Morus'). Ausnahmen wurden dann gemacht, wenn die lateinische bzw. griechische Namensform gegenüber dem 'bürgerlichen' Namen die geläufigere ist (z. B. 'Melanchthon' statt 'Schwartzerd[t]'; 'Camerarius' statt 'Kammermeister').

## MYTHOLOGISCHER INDEX

Die mythologischen Namen erscheinen in der Regel in der lateinischen Form. Die griechischen Namen wurden nur mit Verweis auf die entsprechenden lateinischen aufgenommen (z. B. 'Artemis s. Diana') oder beibehalten, wenn es keine lateinische Entsprechung gibt (z. B. 'Nemesis'). Auch Beinamen werden mit Verweis auf den Haupteintrag aufgeführt (z. B. 'Berecynthia s. Cybele'). Reine Personifikationen oder Gottheiten, die nicht antiken Ursprungs sind (z. B. 'Firmitas'), fanden keinen Eingang in dieses Register.

- |  |  |  |
|--|--|--|
| Achelous 50, 169, 171  | Argonautae 225   | Creon 119, 120, 121, 122   |
