

CONTENTS

Number 1

Technical Note

- 1 The Impact of Magnets on Certain Pigments and Paints Used in the Conservation of Paintings and Works of Art
Zuzanna Szozda

Original Research or Treatment Papers

- 7 Identification of Indigo Dye (*Indigofera tinctoria*) and Its Degradation Products by Separation and Spectroscopic Techniques on Historic Documents and Textile Fibers
N. Tello-Burgos, A. M. Lopez-Montes, J. Ballesta-Claver, F. J. Colhado-Montero and Maria Deh Rosario Blanca Garcia

- 23 A Comparison of Preservation Management Strategies for Paper Collections
Cristina Duran-Casablanco, Matija Strhic Gabrielle Beentjes, Gerrit de Bruin, Jaap van der Burg and Joseph Grau-Bove

- 32 Understanding the Role of Friction and Adhesion in the Display of Tapestries on Slanted Supports
Frances Lennarci, Rosa Costantini and Philip Harrison

- 44 Transportation of Wood Boring Beetles in Wooden Transport Boxes, Wooden Pallets, and Newly Bought Wood in Museums
Stephan Biebl and Pascal Querner

- 51 Disentangling the Deformation Process of Earthen Sites and Understanding the Role of Na_2SO_4 and Precipitation: A Case Study on the Great Wall Relics of the Ming Dynasty in Yulin, China
Wei-jia Mao, Yunxia Shen, Yingpei Zhu, Yunfeng Bai and Manhi Sun

Numbers 2

Original Research or Treatment Papers

- 64 Rita Letetidre's Oil Paintings from the 1960s: The Effect of Artist Materials and Degradation Phenomena
Kate Hellwig, Meaghan Monaghan, Jennifer Pouhin, Eric J. Henderson and Maeve Moriarty

- 79 Investigations into the Application of Terahertz Radiation as a Control Possibility for Paint Layer Consolidations
Naja-Anissa Staats, Eva-Maria Stübbling, Hans Portsteffen and Martin Koch

- 90 Design and Testing of a Protocol to Study Varnishes Intended to Protect Graphical Works
Maria Durban Garcia, Teresa Espejo Alias, Ana Maria Lopez Monte5 and Maria deh Rosario Blanc Garcia

- 98 Silver and Acid-thiourea Silver Dips: Rinsing and Aging Monitored by Electrochemistry
Lyndsie Selwyn and W. Ross McKinnon

- 113 Technical Studies of Balkan White Metal Jewellery of the Nineteenth-Twentieth Centuries
Quanyu Wang
